Case No. 4:10cr55
(Judge Schell)

REPORT AND RECOMMENDATION
OF UNITED STATES MAGISTRATE JUDGE

Pending before the Court is the request for revocation of Defendant's supervised release. After the District Judge referred the matter to this Court for a report and recommendation, the Court conducted a hearing on June 4, 2013, to determine whether Defendant violated his supervised release. Defendant was represented by Denise Benson. The Government was represented by Jennifer Bray.

On April 7, 2011, Defendant was sentenced by the Honorable Richard A. Schell to twenty-four (24) months' custody followed by three (3) years of supervised release for the offense of Possession of Stolen Mail. On December 8, 2011, Defendant completed her period of imprisonment and began service of her supervised term.

On January 15, 2013, the U.S. Probation Officer executed a Petition for Warrant for Offender Under Supervision. The petition asserted that Defendant violated various mandatory, standard, and special conditions. Violation allegation three was dismissed by the Government. The petition alleged violation of the following additional mandatory condition: defendant shall refrain from any unlawful use of a controlled substance. The petition also alleged violation of the following standard condition: that defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any controlled substance or any paraphernalia related to any controlled substances, except as prescribed by a physician.

Prior to the Government putting on its case, Defendant entered a plea of true to the remaining

allegations. The Court recommends that Defendant's supervised release be revoked.

RECOMMENDATION

The Court recommends that the District Judge revoke Defendant's supervised release. Pursuant to the Sentencing Reform Act of 1984, the Court recommends that Defendant be committed to the custody of the Bureau of Prisons to be imprisoned for a term of eighteen (18) months with no supervised release to follow. It is also recommended that Defendant be housed in the FMC Carswell.

After the Court announced the recommended sentence, Defendant executed the consent to revocation of supervised release and waiver of right to be present and speak at sentencing. Defendant and the Government also waived their right to file objections.

SIGNED this 6th day of June, 2013.
